A little Paint, a Lot of Fall Fun!

We had a great turnout as residents gathered to paint ceramic pumpkins! Everyone chose from a variety of beautiful fall colors and glued on decorative leaves for a special finishing touch. Each pumpkin turned out a little different, showing off its creator's personal style.

The finished pumpkins add a cheerful touch of autumn to our residents' shelves—and they're keepsakes that can be enjoyed year after year! Thank you to everyone who joined us for a fun afternoon of fall crafting.

Wagging Tails & Happy Hearts

Our therapy dog visits bring wagging tails and warm smiles to Park Vista! Every other month, these sweet dogs and their handlers stop by to share comfort, companionship, and a little extra love with our residents. We're so thankful for their visits and always look forward to seeing our furry friends!

Trick or Treat

Our residents love passing out candy and seeing all the wonderful costumes at our trick-or-treat event! It's a fun way to celebrate Halloween and share smiles with the children in our community. A big thank-you to everyone who helped supply candy and made this special tradition possible!

Resident Spotlight

Audrey Willoughby has called Park Vista home since August 5, 2025, moving from West Palm Beach to be closer to her son. Originally from Glendale, California, Audrey lived there through college before enjoying a life filled with travel, living in many states and exploring the world. As a stay-at-home mom, she also kept busy volunteering, including traveling to Florida through the YWCA to help with hurricane cleanup. Her favorite memory is marrying her husband, whom she met aboard a ship headed to Europe—they married shortly afterward! Audrey loves being outdoors, so if you're looking for her, check outside first—you may find her doing her exercises! Her advice to others reflects her adventurous spirit: "Enjoy life as you go through it."

Staff Feature

Shelby has been part of the Park Vista family since the very beginning—eight years ago when our doors first opened! Over the years, she has served in many roles, including housekeeping, receptionist, and now medication aide. Having worked all three shifts, Shelby is a familiar face to residents! Her favorite part of her job is caring for our residents, sharing laughs, and having fun with them. She also treasures the friendships she has made along the way. Thank you, Shelby, for eight years of dedication and for being such a special part of Park Vista!

Tip of The Month

November is a great time to send a thank-you note. Consider reaching out to someone you haven't spoken with in a while to let them know what they mean to you. A handwritten note only takes a few minutes, but it is something people truly appreciate and keep.
