February Birthdays

In astrology, those born between February 1–19 are Water Bearers of Aquarius. Water Bearers are deep-thinking intellectuals, unafraid of exploring outlandish ideas. Their strong sense of community makes them good friends and valuable team members. Those born from February 19–28 are the slippery Fish of Pisces. Selfless Pisces are very wise and empathetic, making them always willing to help others. These deep emotions also make Pisces talented artists and good friends.
