

January 24, 2021

To Our Residents, Family Members and Staff of The Legacy of Deforest,

We have been continuing our weekly testing for COVID-19 at The Legacy of Deforest. Last week's testing resulted in one new positive case. We have continued to be in contact with our residents and team members at the building but wanted to follow up with a letter.

We have also been in contact with the local health department and are following all isolation and quarantining protocol provided as well as guidance from DHS and the CDC. We have implemented additional monitoring for residents and team members that may have come in contact with anyone affected. We will also continue to track and monitor all residents and team members for any COVID related symptoms.

At this time, we will continue in-room dining and activities in the RCAC as a mitigation strategy to contain the spread of the virus. We are encouraging social distancing and heightened disinfecting protocol in the RCAC and CBRF to mitigate risk of spreading. We will be conducting weekly facility wide testing of all residents and staff until we have two weeks of negative results to ensure the safety of all residents and team members. We will communicate the results of this week's testing once we conduct testing and receive results. We will also be encouraging residents to wear a mask when out of their apartments and in common areas.

We will work closely with residents to assist them with properly wearing their masks and socially distancing when outside of their unit, practicing good hand hygiene, and avoiding people or places where they are not able to wear a mask and socially distance. The nature of this virus makes it imperative for all residents and staff to remain healthy because we reside and work in a communal environment.

We will continue to provide all updates by way of the health updates page on our website (www.parkvistaliving.org).

It is a privilege to serve your loved ones and provide them with a safe comfortable environment during this time. If you have questions, please reach out directly to your Executive/Community Director. I can also be reached at (563) 503 - 6001.

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Lonergan".
