Hog Wild for Frank Swinatra

On March 1st, in celebration of National Pig day, we had a very special visitor at Park Vista- Frank Swineatra the pig!

Residents enjoyed learning all about Frank and his siblings, getting the chance to pet him, and watching the fun tricks he can do. Frank definitely brought lots of smiles and laughter to everyone who attended.

A big thank you to Sandy Luckritz for bringing Frank to visit and giving our residents such a fun and memorable experience!

Furry Friends visit Park Vista

Every other month, our residents enjoy special visits from therapy dogs. These friendly companions bring smiles, comfort, and plenty of tail wags to brighten everyone's day. Spending time with therapy dogs can help reduce stress, lift moods, and encourage conversation among residents.

St. Patrick's Day

On St. Patrick's Day, we enjoyed a lovely lunch with our friends and family at Park Vista. Thank you to everyone who came to celebrate, and a big thanks to the kitchen for such great food!

Resident Spotlight

Meet Louann Daley, a wonderful part of our Park Vista family since August 18, 2022! Originally from Clinton, Iowa, Louann has lived a creative life. She once played the accordion, Hawaiian guitar, and organ! Over the years, she enjoyed beading crafts, making Christmas trees she sold at craft shows. Louann also worked at the courthouse handling paperwork for divorces and civil lawsuits, she jokes, “If you’ve gotten a divorce at the courthouse, you may know me!” She loves Park Vista for the people and always having someone to talk to, and especially looks forward to our Trick or Treat event, Thanksmas Party, and the festive 12 Days of Christmas celebration. We’re so lucky to have her in our community!

Staff Feature

Victoria has been a valued part of the Park Vista team for 7 years as a Resident Assistant. Her favorite part of the job is caring for the residents and bringing smiles to their faces each day. She truly enjoys building meaningful connections with those she cares for. She is a very caring employee, and we’re so grateful to have her a part of our Park Vista family!

Tip of The Month

Life in Full Bloom

Spring is a natural reminder that growth doesn't have to be dramatic to be meaningful.

As days get longer and routines gently shift, wellness can look like small, steady habits - enjoying fresh air, staying hydrated, moving in ways that feel comfortable, and making time for connection.

At Park Vista, we believe thriving in every season starts with consistency, encouragement, and support. As life moves into full bloom, we continue focusing on what helps each person feel balanced, engaged, and at home.
