DAY 🍀

Sweet, Salty Treats & Drinks

Allan had a warm, lively St. Patrick's Day — the kind of gathering where the company matters just as much as the snacks.

Friendship between Neighbors

These two lovely ladies sat together enjoying their snacks and easy laughter. While listening to some traditional Irish music.

Resident Spotlight

Gloria is one of our many talented residents. She has been a quilter since around 1985, beginning the hobby as a way to stay busy once her children left home. What started as a simple pastime quickly became a passion, and she has continued quilting ever since. These days, she creates all of her beautiful work entirely by hand, a true testament to her dedication and artistry.

Staff Spotlight

Kim is one of the incredible Resident Assistants who helps make Park Vista feel like home. She brings genuine care, patience, and dedication to every shift, supporting residents with their daily needs and doing it all with a smile.

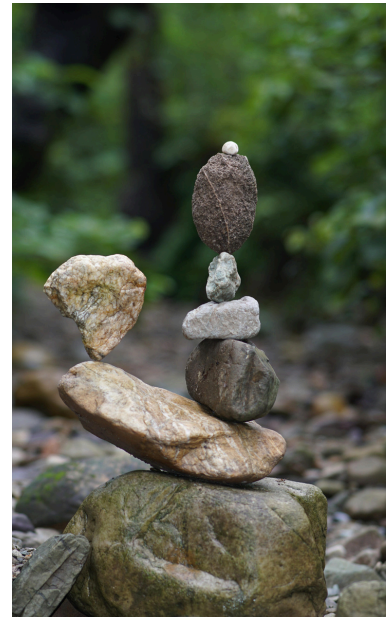

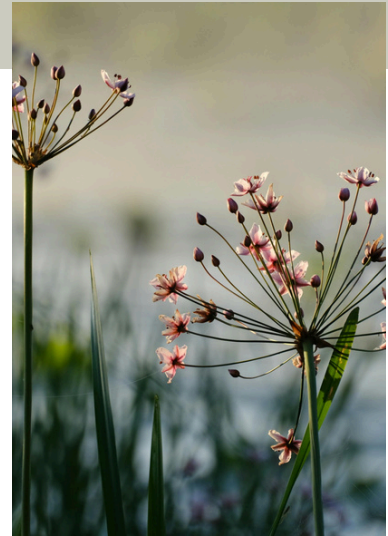

Tip of The Month

Life in Full Bloom

Spring is a natural reminder that growth doesn't have to be dramatic to be meaningful.

As days get longer and routines gently shift, wellness can look like small, steady habits - enjoying fresh air, staying hydrated, moving in ways that feel comfortable, and making time for connection.

At Park Vista Waupaca, we believe thriving in every season starts with consistency, encouragement, and support. As life moves into full bloom, we continue focusing on what helps each person feel balanced, engaged, and at home.
