PV Hall Construction

We've officially begun the flooring replacement project at Park Vista, and we're thrilled to watch our beautiful new space take shape. Our old carpeting is on its way out, and soon we'll be enjoying stunning new laminate flooring throughout. Stay tuned — we'll be sharing the finished photos next month.

PV Lobby replacement of flooring

We're excited to share that our front lobby is undergoing an update, featuring elegant new laminate flooring. As you enter, the entryway will offer the first glimpse of our refreshed, modern space.

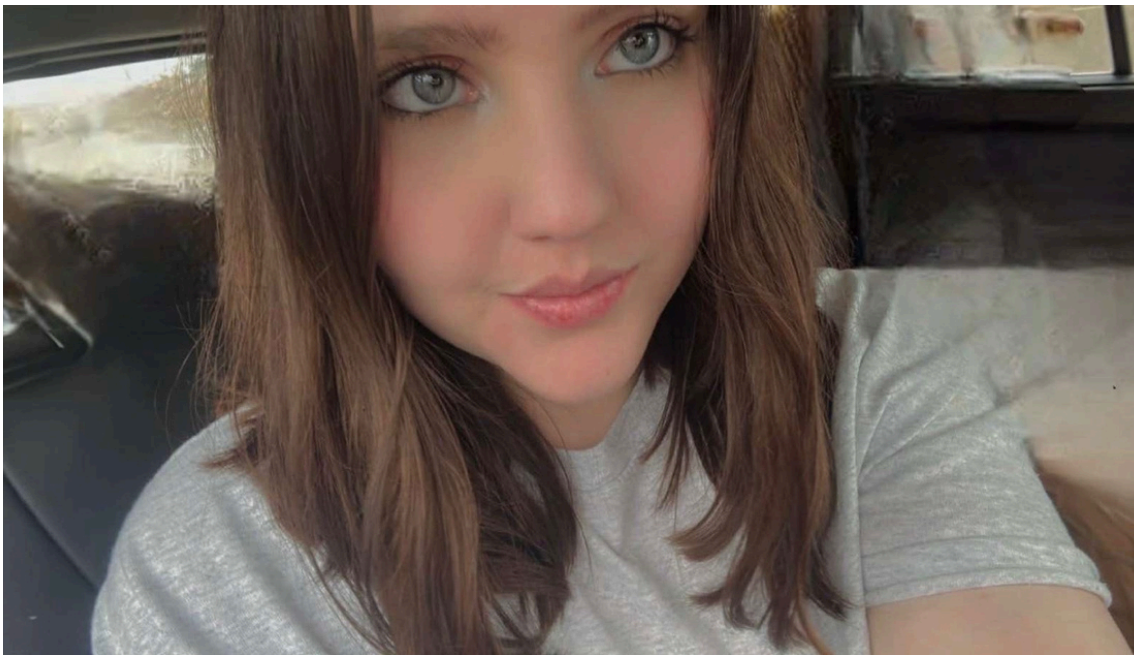

Dinning Room floor replacement.

Our new flooring now extends from the front lobby down the main hall and directly into the dining room, giving all our shared spaces a fresh, updated look. Beyond the visual upgrade, the new floors will also make movement in the dining area easier and more comfortable for everyone.
