Garden Tea Party Highlights

Our Mother's Day Garden Tea Party was a beautiful celebration filled with laughter, connection, and creativity. We enjoyed tea, sweet treats, and time spent with mothers. A special highlight of the party was creating fresh flower bouquets, allowing everyone to design their own beautiful arrangement to take with them. It was a wonderful way to honor all mothers.

Tip of The Month

Soak Up the Season:

June is the perfect time to make the most of the longer days and warm sunshine. Spending time outdoors is one of the simplest things we can do for our overall well-being. Whether it is enjoying your morning coffee outside, tending to a garden, or simply sitting in the sunshine for a few minutes, those moments add up in a big way.

This month, we encourage you to soak up the season. Let the warmth of summer energize you, lift your spirits, and remind you that life is truly in full bloom.
