Tip of The Month

Make the Most of the Sunshine

Summer mornings are made for being outside, and a few small habits make them even better. Head out earlier in the day when the air is cooler, keep a glass of water close by, and don't underestimate the comfort of a shady spot and a wide-brimmed hat.

The sun is good for the spirit. A little planning means more porch conversations, more garden time, and more of the season everyone waits all year for.
