Our Annual Pig & Corn Roast 2026

Our annual Pig and Corn Roast was a wonderful success! We are so grateful to everyone in our community who came out to support our cause and help us raise money for Alzheimer's awareness.

Our residents and their families enjoyed a fun-filled day of festivities while spending quality time together with their Park Vista family. Everyone enjoyed delicious food, great company, and fantastic music by Dell Weed & the Sweet Rollers!

A heartfelt thank you to our wonderful residents, families, staff, and community members for helping make this year's Pig & Corn Roast such a memorable event. We couldn't have done it without you!

"Our Team"

Our Park Vista team came together to make our annual Pig and Corn Roast a huge success! Working together like a well-oiled machine, our team created a joyful and memorable time for everyone in our community while helping raise money for a great cause. We are so grateful for everyone who came together & donated to make this special event possible!

"Thank You, Volunteers!"

These awesome volunteers made sure our tasty pig was cooked to perfection and prepared beautifully for our community to enjoy!

“PV Swag/Marketing Table”

Our swag and marketing table was a hit! We handed out foldable pocket fans to help everyone stay cool, along with can koozies to keep their drinks nice and chilled. We also had informational folders available for anyone interested in learning more about our community to take home.

“Nothing but FUN!”

Our talented Nurse Kelly brought plenty of fun and laughter to this year’s annual Pig & Corn Roast, proudly representing Park Vista in a hilarious inflatable costume!

Keeping Cool!

This group of gentlemen enjoyed using the swag handed out during our event to stay cool while relaxing and doing a little people-watching!

“Meet Our New Residents”

Please join us in giving a warm hello and welcome to Nyma Larkee & Boyd Simonson, who have recently joined our community!

Both Nyma and Boyd enjoy reading and sports.

Let's show them just how friendly and welcoming our community can be!

“Staff Feature”

“Liliana is one of our dedicated dietary aides/cooks who helps serve our community. She is always friendly, polite, and welcoming, and her warm smile is a bright part of our residents’ day. We truly appreciate all that Liliana does for our community!”

“Tip of The Month”

Summer doesn't end all at once; it fades a little at a time. Make it a goal to get outside at least once a day before the weather turns, even if it's just a few minutes on the porch, a short walk, or a moment in the sun with your coffee. A little fresh air goes a long way for your mood, energy, and sleep - an easy way to hold onto summer's energy while it's still here.

“Pop culture and fun facts”

This Month in History:

- September is often called "Back-to-School Month."
- Football season and TV season go hand in hand. For decades, families gathered around the television each fall to watch both new sitcoms and football games.
- The first iPhone was introduced in 2007, and Apple has frequently announced new iPhone models during September events.
