Assisted Living Week Highlights

Assisted Living Week is a week to recognize our wonderful residents and staff and shower them with extra love and appreciation. We celebrated with daily dress-up themes, a popcorn bar, an ice cream social, and a bingo game with special prizes. Staff baby photos were on display for a guessing game, and residents and staff created appreciation stars to recognize one another. We wrapped up the week with live entertainment—a wonderful ending to a week of celebrating our community!

Resident Feature - Glo

This month, we are happy to introduce Glo, who has been living at The Legacy of DeForest since January 2026. Originally from the Wisconsin Dells, Glo has always had a love for gardening and especially enjoys spending time caring for plants and watching things grow. When she's not gardening, she enjoys watching movies, playing cards, and visiting with her family. Glo also loves homemade Mexican food, especially tortillas with pinto beans and caldo, and she has a special fondness for fried eggs. We're happy to have Glo as part of our community!

Staff Feature - Tasha Robinson

We are delighted to introduce Latasha 'Tasha' Robinson, our new Regional Executive Director. Tasha was born and raised in Milwaukee, Wisconsin. She has lived in the Madison area for over 31 years. Tasha is a nurse by background and has been in healthcare leadership for the past 26 years. She enjoys spending time with her husband of 35 years, two children and spouses, two granddaughters, and two granddogs. In service to her community, she currently serves as the Vice President on the Board of Directors for Solace Friends of Monona, Wisconsin, as well as being a member of the Wisconsin Serious Illness Coalition. She looks forward to working with this amazing team and getting to know all of you.

Tip of the Month

Notice the moment, don't wait for the occasion. Joy often shows up in the ordinary: a laugh at the table, a familiar song, or a quiet conversation. This month, try starting one visit or meal with a simple question:

"What made you smile today?"

Pop Culture and Fun Facts

More U.S. presidents have been born in October than any other month!

October was known as "Winmonath" (wine month) in Old England due to the wine production at the time.

October's full moon, known as the hunter's moon, was named by the Algonquin people as it signaled hunting season before winter.

SEE YOU NEXT MONTH!
