Tip of The Month

Notice the moment, don't wait for the occasion. Joy often shows up in the ordinary: a laugh at the table, a familiar song, or a quiet conversation. This month, try starting one visit or meal with a simple question: "What made you smile today?"

Resident Spotlight - Sharon B.

Sharon has been at Arborwood Lodge for five years. Prior to moving here she lived on the West Side of Rapids. She said she moved here because she used to come here and visit her dad everyday and everyone was wonderful.

Sharon worked in the city treasurer's office at City Hall and retired at the age of 67; she loved her job there.

Some big moments in her life were going to Okinawa to stay with her fiancé who was a radar technician there. They got married there when she was 19 and lived there for 2 years. During her time there she had clearance from the government to type up manuscripts for them. Some of the things she enjoys doing are crossword puzzles and watching Hallmark movies. She also likes live music and entertainment. If she had to give one piece of advice it would be "follow your heart". We are grateful to have Sharon as part of our community here!

Staff Feature - Stephanie Smits

Stephanie worked at Arborwood for seven years before taking four years off to be a stay at home mom for her girls. She is happy to be back. Stephanie was born and raised in Wisconsin Rapids and stayed here to raise her family.

The best days of her life were the days she gave birth to her two daughters.

Stephanie has a variety of talents including playing the violin which she did for 10 years. She also went to cosmetology school right out of high school.

The advice she would give to someone would be “Stay positive, and stay smiling! and “Spend as much time with your children and family because life is too short.”
