Resident Spotlight

We are happy to shine the spotlight on Al Adamczak! Al was born in Portage County, where he grew up and worked on his family farm. He attended Arnott Grade School and P.J Jacobs School in Stevens Point. Al proudly served two years in the U.S. Army as a PFC. He married the love of his life, Eleanor, and they shared 72 wonderful years of marriage. After his military service, Al and

Eleanor moved to Milwaukee, where he worked full-time at Allen-Bradley/Rockwell Automation for 37 years. He also enjoyed working part-time at Reinders Old Elm Garden Center for 50 years. Al was also a friend of legendary Milwaukee Brewers broadcaster Bob Uecker, a connection he remembers fondly. Al has always enjoyed hunting, fishing, golfing, and watching the Brewers and the Packers. He especially treasures spending time with his five grandchildren, seven great-grandchildren, and granddog Apollo.

Some of his favorite memories include taking a cruise to Hawaii and the Fanning Islands with Eleanor, as well as working the yard and tending to flowers together. Al says one of the things he enjoys most about The Lodge is the variety of activities and fun, friendly staff and residents, delicious food, and always having something to look forward to!

Staff Feature

We are excited to recognize Katie Osowski, our Community Director, as Staff of the Month! Katie has been part of The Lodge family for 13.5 years and says her job feels less like a job and more like caring for some of the best people. She loves connecting with our tenants on a deeper level, giving and receiving “squeezes,” and showing compassion and understanding across generations. Katie grew up in Stevens Point, Junction City, and now lives in Polonia with her husband Dan, her beautiful 7-year-old daughter Ava, and her 5-year-old son Ace. She enjoys fishing, listening to polka music, playing the piano, and trying new brews with family and friends. If she could take the first flight anywhere, Katie says you could find her traveling to the rest of the 50 states--she believes she’s visited 38 so far! She’d also love to visit Ireland, Australia, or simply explore some back roads along the way.

Tip of The Month

Notice the moment, don't wait for the occasion. Joy often shows up in the ordinary: a laugh at the table, a familiar song, or a quiet conversation. This month, try starting one visit or meal with a simple question: "What made you smile today?"
