Assisted Living week

Assisted Living Week was full of fun and laughter! One of our favorite dress-up days was Pajama Day. Residents and staff enjoyed a cozy day together, making wonderful memories and sharing lots of smiles.

Dirty sodas

Assisted Living Week was filled with fun, laughter, and community spirit. Residents and staff participated in a variety of themed dress-up days, making each day unique and enjoyable. The week was a wonderful opportunity to celebrate together. Cheers to Assisted Living Week! Residents had a blast creating their own dirty sodas and enjoying sweet treats with friends. Fun, laughter, and delicious drinks made for a great day!

Games

This week kicked off with fun and interactive memory games that challenged our minds and helped strengthen our memory skills. We had a great time exercising our minds with memory games and then enjoyed a delicious snack while visiting with one another.

Resident Spotlight

Junitnia

Janita was the second oldest of eleven children and grew up on a farm, where she helped care for her younger siblings. Family was always at the center of her life, and she later became a devoted mother and stay-at-home mom who lovingly cared for her own children.

Janita also worked at Walmart, after they were raised, where she was known for her hard work and friendly spirit. She found joy in life's simple pleasures, especially tending to her garden, taking walks outdoors, and baking for those she loved. There was always some kind of homemade dessert waiting in her kitchen, a reflection of her warmth, generosity, and love for bringing people together.
