Resident Spotlight - Darla

Darla has lived at Arborwood for a little over a year and a half. Prior to living here, she was a legal secretary for 43 years while raising three girls. She was married to her husband, Tom, for 42 years, until his passing in 2007. She was always involved in watching her three daughters' sporting events, and there were many of them to attend. She is proud to say she now has eight grandchildren and two great-grandchildren. Recently, she had the privilege of celebrating two of her granddaughters getting engaged within a month of each other. Something unique about Darla is that she was a cheerleader in high school for four years and was also on the homecoming court. The advice she would give is, "Smile and be pleasant even when you're not feeling like it."

Jessica Suit - Culinary Coordinator

Jessica has been part of the Arborwood team for six years and enjoys making a positive difference in residents' lives each day by creating a welcoming dining experience and leading her team. Her responsibilities include ordering food, creating menus, preparing staffing schedules, and cooking meals. Her love for cooking inspired her to pursue a career in the culinary field. If Jessica were a resident for a day, she would enjoy participating in a baking or crafting activity. Her favorite food is Mexican, and if she could live anywhere in the world, it would be wherever her family is. On her days off, she enjoys spending time with friends and family and having a good movie night. Something you may not know about Jessica is that she is a big animal lover! She has three cats and one dog. If Jessica could share one piece of advice, it would be, "Nothing lasts forever, so enjoy the moment."We are so happy to have Jessica as part of the Arborwood family!

Tip of The Month

November is a great time to send a thank-you note. Consider reaching out to someone you haven't spoken with in a while to let them know what they mean to you. A handwritten note only takes a few minutes, but it is something people truly appreciate and keep.

Pop culture and fun facts

November has given us plenty of memorable moments in pop culture! On November 5, 1955, the movie Rebel Without a Cause, starring James Dean, was released, helping make him one of Hollywood's most unforgettable stars. On November 10, 1969, Sesame Street made its television debut, bringing beloved characters like Big Bird and Cookie Monster into homes across America. And on November 30, 1982, Michael Jackson released his iconic album Thriller, which became one of the best-selling albums of all time. November is full of music, movies, and television memories that continue to bring generations together!
