# Resident Spotlight

## Jane Kufahl

Jane worked in the office at Neenah Foundry for 44 years, demonstrating dedication and a strong work ethic throughout her career. She has always been a do-it-yourself kind of person and takes pride in tackling projects on her own. Jane even renovated her own bathroom and installed a new kitchen floor herself. During the summer months, she enjoys spending time at the lake with her brother and family, making memories and enjoying the outdoors together.

# Staff Feature

## Meet Tim, our Maintenance Director

Tim is our handyman and has been with our company for two years. When in doubt, call Tim! He is always willing to lend a helping hand and can fix just about anything. When something isn't working or doesn't make sense, Tim takes the time to figure it out and help others find a solution. We are grateful for his hard work, dedication, and positive attitude.

# *Tip of The Month*

November is a great time to send a thank-you note. Consider reaching out to someone you haven't spoken with in a while to let them know what they mean to you. A handwritten note only takes a few minutes, but it is something people truly appreciate and keep.

# *Pop culture and fun facts*
